

Web Dev Midterm Portfolio

By Haeden Paul

Wireframes - Home

The wireframe shows a top navigation bar with "Haeden Paul" on the left and "Home", "Projects", and "Contact" on the right. Below this is a main content area. On the left, under "Projects:", there are three items, each consisting of a "Photo" placeholder and a "Title/ short description" box. To the right of these is a "more" button. In the center, there is a large "Tagline/Short bio about site" box. At the bottom, there is a "Let's Connect!" section with three "ICON" placeholders.

This detailed wireframe shows the top navigation bar and a single project item from the main content area. The navigation bar includes "Haeden Paul" on the left and "Home", "Projects", and "Contact" on the right. The project item consists of a "Photo" placeholder, a "Tagline/Short bio about site" box, and a "Projects:" heading followed by three more project entries, each with its own "Photo" and "Title/short description". At the bottom, there is a decorative footer section with three "ICON" placeholders.

Wireframes - Projects

A wireframe of a website project page. At the top left is a user profile placeholder for "Haeden Paul". To the right is a navigation bar with links for "Home", "Projects", and "Contact". Below the navigation is a section titled "Projects:" containing six placeholder cards. Each card has a title ("Title/ short description (on hover)") and a large gray area labeled "Photo". The entire wireframe is set against a background with a pink and green floral pattern.
